I do not want to send them away hungry, or they may collapse on the way.” His disciples answered, “Where could we get enough bread in this remote place to feed such a crowd?” “How many loaves do you have?” Jesus asked. “Seven,” they replied, “and a few small fish.” He told the crowd to sit down on the ground. Then he took the seven loaves and the fish, and when he had given thanks, he broke them and gave them to the disciples, and they in turn to the people. They all ate and were satisfied. Afterward the disciples picked up seven basketfuls of broken pieces that were left over. The number of those who ate was four thousand men, besides women and children.
